Library of Congress Cataloging-in-Publication Data

Names: Phillips, Bruce F., editor. | Pérez-Ramírez, Mónica, editor.

Title: Climate change impacts on fisheries and aquaculture : a global analysis / edited by Bruce F. Phillips, Mónica Pérez-Ramírez.

Description: Hoboken, NJ : John Wiley & Sons, 2017. | Includes bibliographical references and index. |

Identifiers: LCCN 2017011193 (print) | LCCN 2017018686 (ebook) | ISBN 9781119154075 (pdf) | ISBN 9781119154068 (epub) | ISBN 9781119154044 (cloth)

Subjects: LCSH: Fisheries--Climatic factors. | Aquaculture--Climatic factors.

Classification: LCC SH343.3 (ebook) | LCC SH343.3 .I47 2017 (print) | DDC 639.2--dc23

LC record available at <https://lcn.loc.gov/2017011193>

Cover Design: Wiley
