"In *The ELL Teacher's Toolbox*, readers will find powerful, research-based instructional methods and practical classroom ideas that are tried and true. This is a must-have resource for all teachers!"

—Valentina Gonzalez, Professional Development Specialist for ELLs, Katy Independent School District, Texas

"This collection of immediately usable strategies is a godsend for teachers of English Language Learners, which should be no surprise to fans of Ferlazzo and Sypnieski. This is a book you'll want to put on the desk of all the ELL teachers you know."

—Shanna Peeples, 2015 National Teacher of the Year

"A grab-and-go book of strategies for teachers of English learners. With this book, all educators can be both teachers of content and language at the same time. *The ELL Teacher's Toolbox* turns principles into practices."

—Tan Huynh, teacher, consultant, blogger at EmpoweringELLs.com

"This book combines clear strategies by teachers for teachers in real classrooms. It includes a research base, points out connections to standards, and has tips on what to watch out for. A genuine all-in-one approach that's a winning formula for the classroom!"

—Giselle Lundy-Ponce, American Federation of Teachers

The ELL Teacher's Toolbox is just that. A box full of tools that you will want to have at your fingertips all year long. If you teach any English learners, you'll be grateful to have this practical guide and all the reproducible resources packed into it!

—Carol Salva, Seidlitz Education, author, Boosting Achievement: Reaching Students with Interrupted Or Minimal Education
