

A stylized tree with a white trunk and pink branches against a dark blue background. The tree is positioned vertically, with the trunk at the bottom and branches spreading out towards the top. The branches are thick and have a slightly irregular, hand-drawn appearance. The background is a solid, dark blue color.

*for the lights,
immersed into
the darkness of the times*

“und der weiche Schnee zerrinnt...”

on the ice-covered grass
of winter's end
i find the wren, dead,
its silky feathered tiny
body still warm.
my dry-frozen heart
shivers, starving
for tenderness.
