The Emerging megacities Discussion Papers are available at:

www.eh-verlag.de

***Emerging megacities Discussion Papers* are prepared by researchers working on topics in the realm of sustainable development in Megacities of Tomorrow, a research priority by the German Ministry of Education and Research (BMBF). The papers have been peer-reviewed by a board of external reviewers.**

Views and opinions expressed do not necessarily represent those of the Division of Resource Economics.

Comments are highly welcome and should be sent directly to the authors.

We welcome contributions on any topics related to Megacities of Tomorrow. Further information on the submission procedure is given at:
