# **Women With Horses**

## **Second To None**

The wind in my hair  
the sun in my face  
I'm floating on air  
in a happy chase

Not really a chase  
my joy is within  
just look at my face  
my horse my friend

My inspiration my cause  
all wrapped in one  
my beautiful, strong horse  
second to none

# In Your Eyes

In your eyes  
I see the freedom of the past  
in your eyes  
I see a strength I know will last

In your eyes  
I see your wisdom and your hope  
in your eyes  
I see your ability to cope

But in your eyes  
I also see caution and plea  
and in your eyes  
I see the me I need to be
