Introduction

For those readers who are not familiar with Volume 1 of *The Complete Seraphin Messages*, Seraphin is an angel who began transmitting telepathic messages to me in 2009. The initial messages enabled us to get to know each other, and I received a lot of advice concerning personal issues. With time, we increasingly moved into to a wider area of discussion; Seraphin's statements clearly show the necessity for a drastic change in behaviour worldwide, if the population of this planet is to survive and live a peaceful, healthy and abundant life.

Thus the focus moved from individual behaviour towards each individual forming an integral part of COLLECTIVE BEHAVIOUR - towards each person bearing responsibility FOR THE WHOLE. The phrase WE ARE ALL ONE is often bandied around in new age religions or movements, without much deep thought given to what that really means. It involves our SECOND BY SECOND AWARENESS of the fact that our every thought, word and action CONTRIBUTES TO THE QUALITY OF LIFE WHICH WE ARE ALL EXPERIENCING TOGETHER.

Another aspect which becomes more and more obvious as the messages progress, is the great love, attention to detail and long-term tenacity which our personal guides demonstrate in their dealings with us:

"You will notice that we have said all this before. This is, actually, what we are whispering to you CONTINUOUSLY. We never cease to try. We are eternal and will spend eternity in

an attempt to reach you. There is, in fact, no way that you can avoid our ceaseless offers of help. Also, these messages are merely a momentary, fleeting, physical imprint of the wave of thought-forms we continuously place within your conscience for contemplation and review”

To summarise: our unseen guides look after us ceaselessly from cradle to grave, tracking our progress every step of the way, and assessing how they can help us deal with the next hurdle, how we can move forward towards our true vocations, how we can live our potential and how we can excel in our service to others;

“Dear Children on Earth: you are our children in the fullest sense of the word. We of the celestial hierarchy, in its very fullness and completeness and oneness, compositely form the FATHER who looks after and encourages you to go into action and carry out your choices, and simultaneously we form the body of the MOTHER, in the sense that we nurture you and further your intuition. Eternal and unconditional love is what we have to offer you. We follow you with an observing and unjudging eye, from your first inception, to your first breath, to your first steps, to your first teenage dilemmas, to your development into adulthood and beyond, until your task on this planet is complete. And then we prepare you for the next”

Thus, these messages in this second volume will hopefully open readers’ eyes to the fact that help is always forthcoming, whatever their situation, and even if we consistently reject that help. Seraphin says:

“I will risk your anger, your disbelief, your utter rejection, your derisive smiles, your constant rebuttal of all my suggestions and clarifications, in order to warn you AGAIN AND AGAIN”

“These warnings of mine have been my COMPASSION in an attempt to lessen the shock, to make you wary, to invite you to examine morsels of untruth one by one, taking your time, so that you can avoid being suddenly confronted by an avalanche”

So that we are not overcome by such “avalanches” as this era runs to its necessary close, Seraphin warns us through many prophecies of what is to come:

PROPHECY 1: 21 DAYS YOU WILL EXPERIENCE IN THE FUTURE

PROPHECY 2: FROM MONEY TO AUTHENTICITY

PROPHECY 3: YOU WILL FIND LASTING SECURITY

PROPHECY 4: YOU WILL LIVE IN CONTINUOUS ECSTASY

PROPHECY 5: YOU WILL UNITE AS ONE WORLD

PROPHECY 6: YOU WILL LIVE LIVES OF CONTINUOUS ADVENTURE

PROPHECY 7: YOU WILL FEEL THE GOLDEN LIGHT

How are we to react in face of damage wrought? The damage to our earth, resulting from our negligent behaviour, has resulted in an emergency. Seraphin’s emergency call to earth can be found in the message of the same name, which I quote below:

Seraphin Message 202: EMERGENCY CALL TO EARTH

Through Rosie, 28th October 2014

Who will rescue you now, Children of Earth, now that you have pushed your planet and yourselves to the brink of spiritual meltdown? (and failure to recognise this is proof of your failure to critically perceive and care). Where brotherly and sisterly love no longer reigns (having given way to aggression, sex/food/gratification on demand), the only emergency plans you have in place for such a breakdown will inevitably be SELFISH ONES.

Of course, you can call the fire brigades and the social services and the police forces, but they will not be able to save your own SPIRITUAL HOUSES from burning. Neither will they solve your SPIRITUAL CRISES, for their training is (deliberately) on a purely different level, devoting themselves to regimenting only the physical symptoms and repercussions of anything which runs OUT OF CONTROL and BEYOND THE NORM.

You must go into action and QUESTION NORMALITY. Is it "normal" to exploit others? Is it normal to scatter refuse across the globe with no thought for tomorrow? Is it normal to change your outward appearance constantly when it is the content of your SOUL and your intrinsic energy which attracts the next experience and the next person?

Is it NORMAL to live on an earth riddled with deadly bullets and poisoned air? Is it normal to step across the soil in fear of being blown up by land mines? Is it NORMAL to allow pornography to flourish, to allow abuse to continue, to allow BREAKDOWNS OF COMMUNICATION in all manner of important issues on levels both individual and international?

So, do you not conclude, as we (despite all our love for you) conclude, that this is some kind of self-generated madhouse? So, do you think you can handle it all yourselves, inhabitants of earth?

CAN YOU REVERSE ALL THESE PAINFUL, DISHONEST, HARMFUL TRENDS WHICH ARE CORRUPTING YOURSELVES AND YOUR ENVIRONMENT?

Can you do it? Tell us exactly HOW you will attempt this. Will wealthy individuals (with hidden ulterior motives) launch forward with bravado and optimism, tackling minor surface issues with a big splash and many trumpets in your diseased media, basking in the admiration of those who consider them "GOD" and who are convinced that they are doing GOOD?

OR WILL YOU ALL, EVERY ONE OF YOU, GO WITHIN, EXAMINE YOUR CONSCIENCE AND EXAMINE THE ULTIMATE CONSEQUENCES OF YOUR EVERY ACTION, ASSESSING SUCH ACTION AS TO ITS BENEFIT TO THE WHOLE OF HUMANITY?

WILL YOU ALL UNDERGO A SHIFT IN CONSCIOUSNESS, AN EXPANSION OF THE HEART, AND PROCEED WITH ABSOLUTE DETERMINATION TO ERADICATE 100% OF DETRIMENTAL BEHAVIOUR AND ITS DETRIMENTAL EFFECTS?

And we say to you, in view of EMERGENCY OPERATION EARTH, this is your ONLY OPTION. Humble yourselves and do the necessary inner work. There is no other way. And because, in our assessment due to lengthy observation of your behaviour, you are apparently not all prepared to take this on, WE OF THE SPIRITUAL HIERARCHY ("God's helpers", if you will) ARE STANDING BY WITH OUR OWN EMERGENCY PLANS FOR YOU, to be implemented at the tipping point. Then will we prevent the scales from plummeting into self-annihilation.

But even this will not “save” you. It may produce completely different learning conditions, BUT LEARN YOU MUST. We hope we have made things clear. Our harsh tone is, again, only an indication of the severity of the situation and of our deepest concern for you. We hope for your immediate participation. Seraphin

This volume also includes Seraphin’s five “calls” to specific groups of people, providing advice. His first call is to light workers (and those reading this will fall into this category); he refers to you as “messengers of light” (see *Seraphin Message 239: To the messengers of light*) and that it is time to take on your mission (see *Seraphin Message 218: The most important thing in your life: your mission*) which is so desperately needed in these times.

In separate messages, Seraphin also addresses the unsuspecting, the fearful, the deliberately destructive, and the deserters of the holy plan. There is indeed a “holy plan” in place for this planet, and it requires that we always return to the “divine reference point”; living in accordance with the cosmic laws of balance (*Seraphin Message 172: Remembering the Reference Point in Circles of Growth*). This is one of the most important messages in this volume.

All these warnings and pieces of advice are necessary as a precursor to creating paradise on earth, and this is what Seraphin ultimately wishes to promote: we are to recognise our tolerance of imperfection; we are to recognise “hell” in order to better create “heaven”:

“Instead of your humdrum existence, you will experience the DEPTHS OF DESPAIR and the HEIGHTS OF JOY. You will laugh and cry and fall into each other’s arms continuously. You will create a new world assiduously until the old film is

but a wisp of smoke on the horizon. Thus, out of love, we warn you of the crises and delights to come, Seraphin"

It may seem that a large part of Seraphin's messages consist of warnings, yet the flame of hope and the vision of a new and glorious future for our earth is simultaneously present:

"We will illuminate your future and lead you to the "green and pleasant lands" of your dreams". "Ponder that you have been living in a sort of artificially constructed womb up until this time, and that you are on the brink of REBIRTH INTO THE REAL, BRIGHT WORLD OF LIVING SPIRIT".

Our ultimate joy will be to become translators of Divine Will, as expressed in the following message:

***Seraphin Message 213:
YOU ARE THE TRANSLATORS OF DIVINE WILL***

Through Rosie, 2nd January 2015

What is your task in this world, you may ask, throwing your hands up into the air and looking at me helplessly. I, as part of the DIVINE, or creation, or love, or light, will answer this;

YOU ARE MY TRANSLATOR

The first question is: do you conceive yourself as such? Do you recognise that there are messages being sent to you which REQUIRE TRANSLATION?

Do you recognise pure, inspired, sacred, unique thoughts as they suddenly enter your mind unannounced, throwing you into a realm BEYOND YOUR USUAL FRAME OF REFERENCE? Thoughts so compelling that they will take your breath away, DEMANDING "TRANSLATION" AND ACTION - in a form for you yourself to choose - so that they can be

UNDERSTOOD BY OTHERS who have not yet had access to this particular thought via YOUR PARTICULAR LANGUAGE?

Note that the hallmark of such inspired thoughts, sent to you by heavenly guides, is their very purity, their ability to make you fall off your chair, their ability to make you shout EUREKA and dance a jig in utter joy. The sort of thought which makes you say NOW WHY DIDN'T I THINK OF THAT BEFORE? And this is where the beauty of the process kicks in. Your personal unseen guide or angel - acting in accordance with divine decree, has placed this thought in your mind PRECISELY BECAUSE IT IS EXACTLY WHAT YOU WANT AND NEED TO HEAR.

*It is the EXACT SOLUTION for your present predicament.
It is the PERFECT NEXT STEP ON YOUR JOURNEY.*

Will you receive it as such? Will you crumble, overcome by feelings of unworthiness or helplessness in the face of such mighty suggestions? Or will you rise to complete your task as DIVINE EMISSARY?

So, providing you can recognise what a message is, and what purpose it serves, the next step is to present it in a way which INFORMS THE REST OF THE WORLD OF YOUR INTENT, WHICH CONSOLIDATES YOUR PLANS AND WHICH DELIGHTS YOUR HEART, INSPIRING YOU TO EVEN GREATER HEIGHTS AND NEW VENTURES.

How efficient are you as translators, Beloveds? Do you procrastinate, saying that other matters are more important? Do you use "translation tools" instead of using your OWN UNIQUE MIND AND UNIQUE WAYS OF EXPRESSION? Do you do a second-rate job because you despair at the very outset at ever finding the exact wording or related action? Do you never start because you cannot

believe that so perfect an idea or thought could have been placed before you? Do you keep to the script or do you place your own interpretation on the words (for ulterior motives) to erroneously convey something WHICH WAS NOT PART OF THE ORIGINAL MESSAGE?

We beg you to listen; we bring great news to you always. We leave packages and letters and signs and telegrams and hints and warnings CONTINUOUSLY at your mental doors, using thoughts implanted into your heads as well as stimuli in the form of incidents and encounters.

Will you throw them away, condemning them as “coincidence”? Will you fear them as proof of “magic”?

We are putting these into your lives DELIBERATELY so that YOU can take on THE LIFE DIVINE, so that we can jointly provide those round you with a simple, uncorrupted view of the workings of “God” or “Divine Consciousness” for all to see and enjoy, so that all may profit, so that you all may become our beloved messengers, so that you may joyfully emit our teachings and through your actions MANIFEST OUR CONCERNS, PRODUCE SOLUTIONS TO YOUR GLOBAL PROBLEMS AND SPREAD MESSAGES OF HOPE AND CHANGE AND RECONCILIATION SO THAT YOUR WHOLE GLOBE IS SATURATED WITH LOVE.

Will you listen, Beloveds? Will you translate our concerns accurately for the outside world who knows so little of our existence? If so, we thank you. Seraphin.

My deepest gratitude goes to Seraphin for his constant concern about the very grave situation on this planet, for his warnings that we are returning to a “full panoramic view” of all our collective failings, but also of our potential. According to him, we are “messengers of light” and have essential

roles to play. His timely advice shows us how to deal with the upcoming chaos and how to best transition to an exciting world of great potential. I would like to end on a “positive note” in the form of Seraphin’s most poignant questions:

“Do you know the following:

*How EXCITING it can be to enter completely NEW WATERS?
What a RELIEF it is to have access to COMPLETE CLARITY?
What a JOY can result from ACTING IN A GODLY MANNER?
What untold RESERVES OF ENERGY can be unleashed if you
put the past behind you?
What DELIGHT you are capable of giving others?
What POTENTIAL LIES STILL DORMANT IN YOURSELVES,
WAITING FOR YOUR GREAT AWAKENING?”*

May all readers be blessed for their determination to follow the spiritual path which will transform this world into a paradise. Rosie Jackson, August 2020

Seraphin Message 121: THE PLEA TO GET UP AND GO

Through Rosie, 9th December 2012

Rosie: Dearest Seraphin: what is it that you want to tell us at this stage in the proceedings?

Seraphin: Dear Children on Earth: we follow your progress closely. We are ONLINE to your intentions, thoughts and actions. We monitor your movements of heart, and all other movements which are motivated by greed, ego or desire for domination. We see, from this perspective above, the interconnection and the domino effects, and the way ALL DECISIONS AFFECT ALL OTHERS.

At this stage, we stress the importance of YOUR OWN PERSONAL DECISIONS. We see you all, sitting on various chairs in various situations pointing in various directions, forming your various viewpoints. More beneficial for you all would be to develop a SWIVELLING CHAIR, enabling you to see the environment around you from a 360-degree angle.

Even more beneficial would be to direct your gaze DOWNWARDS, as maybe your swivelling chair is sitting on a transparent floor, and maybe you are unaware of the huge amount of activity below your feet.

Similarly, it will benefit you to look UPWARDS, especially IF YOU HAVE NEVER DONE THAT BEFORE.

And, even if this is not possible with the naked eye, VISUALISE THE WHOLE UNIVERSE, INCLUDING MILLIONS OF OTHER RACES, surrounding you and Mother Earth.

All this you can do while sitting in your chair. Yet the situation on earth is so extreme that this is no longer enough.

YOU MUST RISE. YOU MUST WALK EVERY INCH OF THE PLANET TO SEE WHAT IS GOING ON.

It is urgent and imperative that you undergo expansion, from looking upon and caring for the family unit or work environment, to local units, to the global unit, to the universe unit, and it is imperative to realise that the operative word here is UNITE. Resolve your personal, national and global differences to attain the PRIZE OF HARMONY AND PEACE FOR ALL.

It saddens us greatly to see so many of you with EYES CLOSED, SITTING IN CHAIRS CEMENTED TO THE FLOOR, OPENING YOUR MINDS ONLY TO THAT WHICH IS PLACED ONTO THE SCREEN IN FRONT OF YOU.

But reality is actually multi-dimensional, moving through time and space. It is not even a screen: it is vibration and consists of the vibration you pour into it collectively.

WE ASK YOU TO GROW AWARENESS CONSCIOUSLY, NOTICING EVERYTHING AND ACTING UPON EVERYTHING, TO BRING CLARITY BACK TO YOUR WORLD.

WISDOM IS NOT A STATE OF HAVING ATTAINED THE TRUTH, BUT OF KNOWING THERE IS MORE TO KNOW.

We love you, Seraphin.

Seraphin Message 122: THE REAL IMPENDING CELEBRATION

Through Rosie, 17th December 2012

Dear Children on Earth who are approaching
THE GREATEST CELEBRATION;

Beloved Children; we are not talking about the season you have termed "Christmas". We are not talking about over-spending, over-eating, squandering the precious and ever increasingly depleted resources of your Mother, the Earth, in the gift-wrapping of countless and largely unnecessary gifts. We are not talking about the giving and receiving of material goods - a massive swapping of superfluous frivolities, produced en masse in often appalling conditions.

Know what you are supporting with your purchases. Know what systems of corruption and corrupted belief you are perpetrating with your actions. Know that throwing money at a problem will only act as gloss and will never be a replacement for the gift of caring concern on a long-term and regular basis.

And know that this sort of celebration (which would be nothing without material goods) will suddenly collapse once the material goods have been consumed, used or thrown out. A vacuum ensues. What now? What is this yearning, this hole of anti-climax which follows your "celebrations"? Is this how you celebrate the KING OF LOVE? Did he limit his love to a once-a-year bonanza of feasting and gifting?

You are now approaching the REAL CELEBRATION, which is the REAL TRIUMPH OF LOVE ON A PLANET WHICH HAS PERPETRATED THE EXACT OPPOSITE OF LOVE THROUGH DELIBERATE ACTS OF HATRED, AS WELL AS THROUGH TOLERANCE OF IMPERFECTION, THROUGH REFUSAL TO DISCERN, AND THROUGH DESCENT INTO PASSIVITY.

Your lack of concern about what is happening on the other side of the world, and also on the other side of your fence, as well as the complete failure to perceive the systematic destruction (behind the scenes) of ALL THAT IS HOLY, has brought us to this point.

CELEBRATE YOU SHALL, but not in the way you anticipate, and not for the reasons you anticipate. As events transpire in a completely different way, you will celebrate the advent of SPONTANEOUS KINDNESS IN THE FACE OF ADVERSITY. You will celebrate the READINESS TO ASSIST THOSE IN NEED. You will celebrate the new exquisite feeling of HOPE which will emerge from the ashes, like a small green seedling pushing its fresh and tender head through a layer of putrid decay.

And this will be celebration indeed. It will not be marked by the clinking of wineglasses and empty phrases, but by an inexhaustible source of hope expanding in your hearts for the new future of your lives on this planet. This is your reason for rejoicing - that the era of depravity, corruption and destruction will come to an end, and that those who caused it will be treated according to their degree of participation and intention, and that those remaining carry the potential to create complete renewal. Hold the joy of such knowledge in your hearts, and assess your own role in this particular drama, for - when the curtain falls - you will claim your applause or experience your rebuttal for the part played.

We survey and wait in wonder. We bless those who create beauty and live their truth without compromise, benefitting all. We urge those who cower in fear to turn - even as the curtain falls - to LOVE, to throw all else out, to sound the bell that you have had a change of heart, that you wish to join us in this, the greatest celebration that your planet in its troubled history HAS EVER KNOWN.

Those of you who are still innocent of the workings behind the scenes which negatively influence you, will ask:

WHAT DOES THIS MEAN? WHAT CHANGE IS THIS?

WHAT WILL BE SO DIFFERENT AND RADICAL

THAT IT NEEDS TO BE ANNOUNCED IN THIS WAY?

To you we say:

REVISE YOUR PRESENT VERSION OF NORMALITY:

RECLASSIFY ALL WAR, ALL DELIBERATE MUTILATION, ALL KILLING OF LIVING BEINGS, ALL DISRESPECT FOR OTHERS, ALL DESECRATION OF NATURE, ALL DEPARTURES FROM THE COSMIC LAWS OF BALANCE AS **UNNATURAL AND HARMFUL IN THE EXTREME, AND DETERMINE TO ERADICATE THEM COMPLETELY.**

Indifference and inability to take on responsibility will no longer be an option. The experiment is over. Your concept of "normality" will return to its true position, which is a POSITION OF SACREDNESS ALIGNED WITH THE FATHER/MOTHER.

Many of you who presently feel so confident, organised, secure, commanding and stable will LOSE ALL THAT, AS YOU WATCH THE "NORMAL" PARAMETERS OF YOUR WORLD

CRUMBLE. You will look on helplessly as the pieces fall, gazing with disbelief, stunned into silence. You will not be able to accept, initially, that you have been SO MISTAKEN. Yet continue you will, in whatever form, developing humility here or elsewhere, building new worlds here or elsewhere.

Though we will offer you LOVE (and you will learn that we have already intervened so often through LOVE to save you from your self-destructive path) there will be a number of you who will not be able to accept it. This saddens us, but we know that all must move on in accordance with the amount of love (and thus light and positive energy) which they are capable of carrying.

Those who cannot love will create a path of great burden for their own experience and learning processes, and those who LIVE LOVE will fly to unknown heights, with us as your guides.

We of the unseen world will become SEEN, thus your view will expand to include NEW BEINGS, NEW PERSPECTIVES AND NEW WORLDS, OF WHICH WE INVITE YOU TO BECOME A MEMBER. We await your decisions in great anticipation and in love and in service, Seraphin and the Legion of Light.

Seraphin Message 123: YOU ARE NEXT

Through Rosie, 8th January 2013

Rosie: Dearest Seraphin: in meditation, I have just seen myself go through a cleansing procedure. I appeared as a life-sized, white, plaster statue standing in a large hall. All the furniture was covered in dust sheets for protection. It was as if the room had not been used for a very, very long time. This was a historic building, it seemed.

Suddenly servants arrived and started to roll off the sheets and fold them neatly. Ladies with feather dusters cleared cobwebs off the statue, and workmen with chisels started to tap the statue gently with their hammers. Bit by bit, the outer plaster casing fell off in small pieces, showing my soft pink skin underneath. In the end, I was fully exposed and completely revived, as if I had been a sort of Sleeping Beauty, awakened at exactly the right moment for a specific purpose.

Seraphin: Yes, Dearest, awakened you shall be, and awakened SHALL YOU ALL BE. The scales shall be removed from your eyes, and you will discover how your MOVEMENTS, WHETHER PHYSICAL OR SUPPOSEDLY SPIRITUAL OR MENTAL, HAVE BEEN PLASTERED UP TO THE POINT WHERE YOU HAVE BECOME PARALYSED AND IMMOBILE.

In many cases, it will be very hard to remove the outer casing without hammers. In some cases, gentle taps will not do the job. Sledge hammers and chain saws will be necessary to remove the mental stagnation and the turgid structures which imprison your thoughts. We of the celestial hierarchy are here to FREE YOUR THINKING, and with many it will be like the STORMING OF THE BASTILLE - by which I mean that we will encounter great difficulty and resistance, in the face of great adversity - BUT WE SHALL TRIUMPH.

There is no way we can fail, in the end, to attract your attention. We have attempted, through many means and through many messengers, to capture your collective attention. So far, we have never PERVADED YOUR COLLECTIVE CONSCIOUSNESS, but you can rest assured that this is our ultimate aim, to which we continuously work towards.

The time will come, little one, when there will be no need to cast aspersions, or wonder whether something is true or not, BECAUSE IT WILL BE PERFECTLY CLEAR TO EVERYONE. So, at this penultimate stage, be open for wonder. Prepare yourselves inwardly so that when the plaster which is covering you is removed, however long that takes, you can instantly and with confidence step into your new roles.

The dust sheets are already being turned down and stacked away. We have no further use for these, and all is now being revealed. YOU ARE NEXT, so attend to your inner life and ask yourselves if you are prepared to enter the public eye as your TRUE SELVES, EXPRESSING YOUR TRUTH, working with us hand in hand.

Examine your doubts, your grey areas, your missions, and your capacity to work from and with the heart. If you are GROWING, the outer plaster shell WILL BE READY TO BURST, and the transition will be easy. If you do not wish to come out of your present shell, YOUR TRANSITION WILL BE DIFFICULT AND PAINFUL.

We alert you to the very serious developments already in progress on your planet, and we ask you whether you are aware of this, and whether you are in awareness of your positive contribution, or whether you are SHRINKING AWAY FROM RESPONSIBILITIES and returning into your shells. May the Divine Light inspire you to find your way, and may your connection to the Divine help you to penetrate the casings which have been erected to prevent its workings. We love you, Seraphin

Seraphin Message 124: STRANGERS ARE A GIFT FROM GOD

Through Rosie, 15th January 2013

Rosie: Dearest Seraphin: a friend recently received astonishing hospitality when stranded in the mountains of Morocco, in accordance with the Berber's conviction that STRANGERS ARE A GIFT FROM GOD. I am fascinated by this saying, as it contains so much meaning in a few simple words.

Strangers do not "happen" to fall into our lives by pure chance. They have a message for us, as we do for them, if only we can hear. We gift each other with insight through our encounters. Strangers are kindred spirits who intrinsically wish us well and present us with opportunities for growth. We gift each other, and thereby gift ourselves, all being part of the same GOD MIND.

Seraphin: Yes, Dearest: if you keep yourselves in a state of outward and inward purity and balance, then you can proceed along the path of life with your head clear and with an upright posture, ready to engage with all "strangers" along the way, stepping easily and eagerly with a sense of adventure and discovery (and if you are unbalanced, looking down in fear of stumbling, then you will miss them).

In this state, you will quickly learn to discern the message which is being brought to you by another, and you will recognise the lesson and the purpose, even if the message comes in surprising forms: a perceived insult, or tragedy, or joyful announcement, or declaration of love.

With all these expressions - whether of gentle nuance or downright aggression - it is left to you to DISTIL THE ESSENCE OF THE MESSAGE LATER, IN SILENT CONTEMPLATION, and discover the meaning for you and for you alone.

Know that all these encounters are engineered to BRING YOU FORWARD ON THE SPIRITUAL PLANE. When the Berbers refer to strangers as a GIFT FROM GOD, they recognise this as an opportunity to LEARN and GIVE.

This is a mutual pact, a mutual process, a subtle interweaving of consciousnesses which are OPEN TO DEVELOPMENT, which are PREPARED TO CHANGE DIRECTION IMMEDIATELY AS SOON AS A DROP OF INNATE WISDOM, HOWEVER SMALL, HAS DROPPED INTO THEIR CUP. For they are thirsty for knowledge and look upon all that is new WITH DELIGHT.

This will be the challenge, dear ones, in the time to come. Will you be able to look upon your crumbling world with these eyes?

WILL YOU BE ABLE TO OFFER HOSPITALITY SPONTANEOUSLY TO ALL WHO KNOCK AT YOUR DOOR? WILL YOU FUNCTION AS AN ENDLESS WELL OF COMPASSION?

Will you see the message which the stranger brings, or will you retire in fright? Will you respond to the wanderer's need when he is desperate, tired, spiritually and physical deprived, pushed to the very limits of his capabilities and emotions? Will you regard each stranger as a GIFT FROM GOD? For truly, you will be confronted with many strangers in the times to come. They are your intimate friends, your mirror, your chance to adjust, and your opportunity to gift

yourself. We ask you to be aware of this in the tumultuous age to follow. We love you, Seraphin

Seraphin Message 125:
SERAPHIN'S SONG OF LOVE FOR YOU

Through Rosie, 5th February 2013

Rosie: I understand that you are going to write a love song. Am I right, dear Seraphin?

Seraphin: Dearest, the church bells are tolling in the distance as you take down this message. They often toll for births, deaths and marriages, and in this case, they are actually tolling for ALL THREE TOGETHER, for never have all three been SO CLOSE TOGETHER.

The incoming energies are strong agents of SEPARATION which shall increase the frequency of your "dimension", increase the potency and potential of all pending situations, and will thus cause all bells to toll more frequently.

There will be more deaths, there will be spiritual rebirth, and there will be marriage to new values which shall change the face of the earth.

I am known from previous messages for my warnings and admonitions, for pointing my accusing finger - some would say, with intolerance - at today's world and the misdemeanours of her inhabitants.

What is not so known is my VERY GREAT LOVE FOR YOU. THIS EXTENDS SO FAR THAT I WILL RISK YOUR ANGER, YOUR DISBELIEF, YOUR UTTER REJECTION, YOUR DERISIVE SMILES, YOUR CONSTANT REBUTTAL OF ALL MY SUGGESTIONS AND CLARIFICATIONS, in order to warn you AGAIN AND AGAIN.
