About the Companion Website

The *Human Geography: An Essential Introduction* Second Edition companion website includes a number of resources created by the author that you will find helpful when reading this book.

www.wiley.com/go/boyle

For students:

- Student tutorial exercises

For instructors:

- Specimen module outline for Human Geography 101 courses
- Additional essay-style exam questions
- A multiple-choice exam paper
- PowerPoint slide lectures for each chapter
- Comprehensive Mp4 and Mp3 recorded lectures by the author for each chapter.

Take up the White Man's burden
Send forth the best ye breed
Go send your sons to exile
To serve your captives' need
To wait in heavy harness
On fluttered folk and wild
Your new-caught, sullen peoples,
Half devil and half child.

*Rudyard Kipling, "The White Man's Burden: The United States and the
Philippine Islands" (1899)*

O wad some power the giftie gie us
To see oursels as ithers see us!
It wad frae mony a blunder free us,
An' foolish notion:
What airs in dress an' gait wad lea'e us,
An' ev'n devotion!

*Robert Burns, "To a Louse: On Seeing One on a Lady's Bonnet, at Church"
(1786)*

Plate x.1 To infinity and beyond! “Broad, wholesome, charitable views of men and things cannot be acquired by vegetating in one little corner of the earth all of one’s lifetime.” - Mark Twain.
