

SURGICAL MANAGEMENT OF
**ADVANCED
PELVIC CANCER**

EDITED BY
MICHAEL E. KELLY AND DESMOND C. WINTER

WILEY Blackwell

Table of Contents

[Cover](#)

[Title Page](#)

[Copyright Page](#)

[List of Contributors](#)

[Preface](#)

[1 From Early Pioneers to the PelvEx Collaborative](#)

[Background](#)

[The Pioneers](#)

[Future Directions](#)

[References](#)

[2 The Role of the Multidisciplinary Team in the Management of Locally Advanced and Recurrent Rectal Cancer](#)

[Background](#)

[Complex Pelvic Cancer MDTM](#)

[Staging, Restaging, and Pathological Assessment](#)

[Complex Cancer MDTM Outcomes](#)

[References](#)

[3 Preoperative Assessment of Tumor Anatomy and Surgical Resectability](#)

[Background](#)

[Cancer Anatomy and Resectability](#)

[Radiological Assessment of Cancer Anatomy by MRI](#)

[Case Study](#)

[Radiological Assessment of Metastatic Disease](#)

References

4 Neoadjuvant Therapy Options for Advanced Rectal Cancer

Background

Potential Advantages of TNT

Potential Disadvantages of TNT

Short-Term Outcomes

Long-Term Oncological Outcomes

Organ Preservation

Chemotherapy and Compliance

Novel Chemotherapeutic Agents

Immunotherapeutics

Locally Recurrent Rectal Cancer

Future Developments

References

5 Preoperative Optimization Prior to Exenteration

Background

Clinical Examination

Laboratory Tests

Risk Assessment of Morbidity and Mortality

Preoperative Optimization

Mechanical Bowel Preparation and Oral Antibiotic

Prophylaxis

Thromboprophylaxis

Stoma Education

References

6 Patient Positioning and Surgical Technology

Background

Operating Room Setup

[Patient Positioning](#)

[Surgical Equipment and Energy Devices](#)

[References](#)

[7 Intraoperative Assessment of Resectability and Operative Strategy](#)

[Background](#)

[The Preoperative Phase](#)

[The Intraoperative Stage](#)

[References](#)

[8 Anterior Pelvic Exenteration](#)

[Background](#)

[Diagnostics Specific to Anterior Pelvic Exenteration](#)

[Surgical Procedure](#)

[Morbidity and Mortality](#)

[References](#)

[9 Posterior Pelvic Exenteration](#)

[Background](#)

[Preoperative Assessment](#)

[Intraoperative Decision-Making](#)

[References](#)
