dummies[®]
A Wiley Brand

Prepare your 2021 tax return with confidence

Legally reduce your tax bill with sound strategies

Plan ahead for 2022 and future tax years

Eric Tyson, MBA

Bestselling author, *Investing For Dummies* and *Personal Finance For Dummies*

Margaret Atkins Munro, EA

Author of *Estate & Trust Administration For Dummies*

David J. Silverman, EA

“The book does a terrific job of explaining the tax code. The tax advice . . . is on target and has depth. Smart chapters — not just thumbnail sketches — for filling out forms.”

—Gannett News Service

“Among tax advice books is far and away the best. *Taxes 2022 For Dummies* is fun to read and teaches about the tax system itself. The book also provides excellent advice about dealing with mistakes — created by you or the Internal Revenue Service. And it talks about fitting taxes into your daily financial planning. In other words, it’s a book you can use after April 15, as well as before.”

—Kathy M. Kristof, *Los Angeles Times*

“The best of these books for tax novices. Substitutes simple English for tax-code complexities.”

—*Worth* magazine

“User-friendly income-tax preparation and sound financial advice you can use throughout the year.”

—*The Seattle Times*

“This book is the most accessible and creative. It’s also the best organized of the lot, presenting information in the order you need it to complete your tax forms.”

—*USA Today*

“*Taxes 2022 For Dummies* will make tax preparation less traumatic . . . It is a book that answers — in plain English, and sometimes with humor — many puzzling questions that arise on the most commonly used tax forms.”

—Stanley Angrist, *The Wall Street Journal*

“This is a lot of book for the money, filled with good examples . . . and level-headed advice. It follows the line-by-line format but also has year-round reference value for taxpayers who plan ahead . . . A human heart beats in this highly intelligent tax tome.”

—Michael Pellecchia, syndicated columnist

“\$\$\$\$ — Highest rated among the annual tax guides . . . superb writing and friendly organization.”

—*Publishers Weekly*

More Bestselling For Dummies Titles by Eric Tyson

Investing For Dummies®

The complete guide to building wealth in stocks, real estate, mutual funds, and small business. With updated coverage on everything from internet brokerages to information sources, this friendly guide shows you how to assess your situation, gauge risks and returns, and make sound investments. Also check out the latest edition of Eric's *Mutual Funds For Dummies!*

Personal Finance For Dummies®

Discover the best ways to establish and achieve your financial goals, reduce your spending and taxes, and make wise personal finance decisions. *Wall Street Journal* bestseller and winner of the Benjamin Franklin best business book award.

Home Buying For Dummies®

America's #1 real estate book includes coverage of online resources in addition to sound financial advice from Eric Tyson and frontline real estate insights from industry veteran Ray Brown. Also available from America's best-selling real estate team of Tyson and Brown — *House Selling For Dummies* and *Mortgages For Dummies*.

Real Estate Investing For Dummies®

Real estate is a proven wealth-building investment, but many people don't know how to go about making and managing rental property investments. Real estate and property management expert Robert Griswold and Eric Tyson cover the gamut of property investment options, strategies, and techniques.

Line 7: Net short-term gain or <loss>	312
Part II, Lines 8–15: Long-Term Capital Gains and Losses	313
Line 8: Columns (a), (b), (c), (d), (e), and (f)	313
Line 11: Long-term gains and losses carried from other forms	313
Line 12: Net long-term gain or <loss> from different entities	316
Line 13: Capital gain distributions	316
Line 14: Long-term capital loss carry-over	317
Line 15: Combine lines 8–14 in column (f)	317
Part III, Lines 16–22: Summary of Parts I and II	317
Line 16: Combine lines 7 and 15	317
Line 17: Comparing lines 15 and 16	317
Line 18: 28 percent gains	317
Line 19: 25 percent gains	318
Line 20	318
Line 21: Capital losses	318
Line 22: Qualified dividends	318
Using Schedule D for Home Sales	319
Computing your profit	322
Reporting a profit that exceeds the exclusion	323
Following the home office and rental rules	324

Using Form 8949 and Schedule D for Other Stock Matters	325
Worthless securities	325
Wash sales	326
Small business stock	326
Stock options	326
Short sales	328
Stock for services	329
Appreciated employer securities	330
Reporting Nonbusiness Bad Debts	330
Day traders	331
Mark-to-market traders	331
Checking On Cryptocurrency	332
CHAPTER 15: Supplemental Income and Loss: Schedule E	335
Part I: Income or Loss from Rental Real Estate and Royalties	336
Questions A and B	336
Line 1: Physical address and type of each property	336
Line 2: Vacation home questions	337
Lines 3–4: Income	338
Lines 5–19: Expenses	338
Lines 20–21: Calculating your income or loss per property	342
Line 22: Deductible rental real estate loss after limitation, if any, on Form 8582	343
The tax shelter rules	345
Lines 23–26: IRS math quiz	346
Part II: Income or Loss from Partnerships and S Corporations	347
Line 27: The at-risk and other tax shelter rules	348
Lines 28–32: Name . . . and so on!	349
Part III: Income or Loss from Estates and Trusts	350
Passive income and loss	351
Nonpassive income and loss	351
Part IV: Income or Loss from Real Estate Mortgage Investment Conduits	351
Part V: Summary	351
CHAPTER 16: Giving Credits Where Credits Are Due	353
Child- and Dependent-Care Expenses: Form 2441 (1040)	354
Parts I and II	356
Part III	357
Credit for the Elderly or the Disabled: Schedule R (1040)	358
Education Credits (Form 8863)	359
Child Tax Credit and Credit for Other Dependents	360
Retirement Savings Contributions Credit (Form 8880)	362
Residential Energy Credits (Form 5695)	362
Adoption Credit (Form 8839)	363
Understanding the adoption credit and exclusion rules	363
Figuring out Form 8839	365
Motor Vehicle Credits (Form 8910 and Form 8936)	365
Earned Income Credit (EIC)	366

CHAPTER 17: Other Schedules and Forms to File	369
Estimated Tax for Individuals (Form 1040-ES)	369
Calculating your Safe Harbor estimated tax payments	370
Completing and filing your Form 1040-ES	370
Moving Expenses (Form 3903)	372
Nondeductible IRAs (Form 8606)	374
Part I: Traditional IRAs	374
Part II: Conversions from traditional IRAs, SEPs, or SIMPLE IRAs to Roth IRAs	376
Part III: Distributions from Roth IRAs	376
Forms 8615 and 8814, the Kiddie Tax	377
Form 8829, Expenses for Business Use of Your Home	379
Considering the “simplified” home office deduction	380
Measuring your home office	381
Figuring your allowable home office deduction	381
Determining your home office’s depreciation allowance	382
Deducting what’s left	383
Form W-4, Employee Withholding	384
Household Employment Taxes: Schedule H	384
Schedule SE: Self-Employment Tax Form	386
 PART 4: AUDITS AND ERRORS: DEALING WITH THE IRS	 389
 CHAPTER 18: Dreaded Envelopes: IRS Notices, Assessments, and Audits	 391
Understanding the IRS Notice Process	392
Receiving your typical notice	392
Deciphering a notice	393
Assessing Assessment Notices	395
General assessment notices — the CP series forms and other notices	395
Income verification notice — Form CP-2501	396
Request for tax return — Forms CP-515 and CP-518	396
We are proposing changes to your tax return — CP-2000	397
Backup withholding notice	397
Federal tax lien notice — Form 668(F)	398
Requesting a Collection Due Process Hearing	399
Property levy notice — Form 668-A(c)	399
Wage levy notice — Form 668-W(c)	400
Handling Non-Assessment Notices	401
Paying interest on additional tax	401
Receiving a delinquent tax return notice	401
What You Must Know about Audits	402
Surviving the Four Types of Audits	403
Office audits	403
Field audits	404
Correspondence audits	406
Random statistical audits	406
Questioning Repetitive Audits	407
Getting Ready for an Audit	407

Winning Your Audit	409
Understanding the Statute of Limitations on Audits	409
Extending the statute of limitations	410
The statute of limitations on tax collection is	410
Appealing the results of an audit	411
Receiving a Statutory Notice of Deficiency.	412
CHAPTER 19: Fixing Mistakes the IRS Makes	413
Seeing the Types of Mistakes the IRS Makes	414
Corresponding with the IRS: The Basics	415
Sending a Simple Response to a Balance Due Notice	416
Sending Generic Responses to Generic Notices	417
Misapplied payments	418
Misunderstood due date	418
Wrong income	419
Exempt income	419
Double-counted income	420
Lost return	420
Lost check	421
Tax assessed after statute of limitations	421
Partially corrected error	421
Erroneous refund.	421
Data-processing error	422
Incorrect 1099	422
Wrong year	423
Never received prior notices	423
Getting Attention When the IRS Appears to Be Ignoring You	423
Getting to know your local Taxpayer Advocate	423
Meeting the criteria for a Taxpayer Advocate case.	424
Contacting the local Taxpayer Advocate	425
Finding Your Refund When It Doesn't Find You	425
How to locate your refund	426
Uncashed refund checks	426
Interest on refunds	427
Refunds and estimated tax payments	427
Joint refunds	427
Joint estimated payments.	427
Deceased taxpayer	427
Statute of limitations.	427
Protective claims	428
Refund offset program	428
CHAPTER 20: Fixing Your Own Mistakes	429
Amending a Return	429
More expenses than income (net operating losses).	430
The tax benefit rule	431
Solving When You Can't Pay Your Taxes.	431
Requesting an installment agreement	432
Making an offer	434
Declaring bankruptcy	434
Planning ahead to avoid these problems.	436

Abating a Penalty	436
The Internal Revenue Manual (IRM)	437
Court cases that define reasonable cause	437
Excuses that won't fly	439
IRS rulings and announcements	439
Penalty appeals	442
Abating Interest	443
When interest is incorrectly charged	443
Erroneous refunds	444
IRS delays	444
When the IRS doesn't send a bill	445
When the IRS sends a bill	445
The 36-month rule	445
Protecting Yourself with Innocent Spouse Relief	445
Determining if you're eligible	446
Receiving relief by separation of liability	447
Obtaining equitable relief	447
Additional innocent spouse rules	448
Injured spouse relief	448
The Taxpayer Bill of Rights: In the Beginning	449
The Taxpayer Bill of Rights: Parts 2 and 3	450

PART 5: YEAR-ROUND TAX PLANNING 453

CHAPTER 21: Tax-Wise Personal Finance Decisions 455

Including Taxes in Your Financial Planning	455
Taxing Mistakes	456
Seeking advice after a major decision	456
Failing to withhold enough taxes	456
Overlooking legitimate deductions	457
Passing up retirement accounts	458
Ignoring tax considerations when investing	458
Not buying a home	458
Allowing your political views to distort your decision making	458
Ignoring the financial aid (tax) system	459
Neglecting the timing of events you can control	459
Not using tax advisors effectively	460
Comprehending the Causes of Bad Tax Decisions	461
"Financial planners" and brokers' advice	461
Advertising	462
Advice from websites and publications	462
Overspending	462
Financial illiteracy	463

CHAPTER 22: Trimming Taxes with Retirement Accounts 465

Identifying Retirement Account Benefits	465
Contributions are (generally) tax-deductible	467
Special tax credit for lower-income earners	467
Tax-deferred compounding of investment earnings	468
Don't go overboard	469

Naming the Types of Retirement Accounts	469
Employer-sponsored plans	470
Self-employed plans	472
Individual Retirement Accounts (IRAs)	473
Annuities	478
Taxing Retirement Account Decisions	478
Transferring existing retirement accounts.	478
Taking money out of retirement accounts.	480
CHAPTER 23: Small-Business Tax Planning	485
Organizing Your Business Accounting	486
Leave an “audit” trail	486
Separate business from personal finances	487
Keep current on income and payroll taxes	488
Minimizing Your Small-Business Taxes.	490
Business tax reform – The Tax Cuts and Jobs Act.	490
Twenty percent deduction for pass-through entities.	491
Depreciation versus deduction	492
Car costs	492
Travel, meal, and entertainment expenses	493
Home alone or outside office space?	494
Independent contractors versus employees.	494
Insurance and other benefits.	495
Retirement plans	496
Know your interest deduction and net operating loss limitations.	497
Deciding to Incorporate or Not to Incorporate.	497
Liability protection.	497
Corporate taxes	498
Limited liability companies (LLCs)	499
S Corporations	500
Where to get advice.	500
Investing in Someone Else’s Business.	501
Buying or Selling a Business.	501
CHAPTER 24: Your Investments and Taxes	503
Tax-Reducing Investment Techniques	504
Buy and hold for “long-term” capital gains	505
Pay off high-interest debt.	505
Fund your retirement accounts.	506
Use tax-free money market and bond funds	506
Invest in tax-friendly stock funds.	507
Tax-Favored Investments to Avoid	510
Limited partnerships.	510
Cash-value life insurance	512
Analyzing Annuities	512
Selling Decisions	513
Selling selected shares	513
Selling securities with (large) capital gains.	514
Selling securities at a loss.	515
Mutual funds and the average cost method	516

Stock options and taxes	516
Selling securities whose costs are unknown	517
CHAPTER 25: Real Estate and Taxes	519
Surveying Real Estate Tax Breaks	519
Mortgage interest and property tax write-offs	520
Home ownership capital gains exclusion	521
Home office deductions	522
Purchasing Your Humble Home	522
Exploring the tax savings in home ownership	523
Deciding how much to spend on a home	524
Tracking your home expenditures	525
Reporting revenue if you sometimes rent	527
Making Tax-Wise Mortgage Decisions	527
15-year or 30-year mortgage?	527
How large a down payment?	529
Refinancing decisions and taxes	530
Selling Your House	531
Not wanting to sell at a loss	531
Converting a home into rental property	532
House sales, taxes, and divorce	532
Investing in Real Estate	533
Deciding whether real estate investing is for you	533
Enjoying rental property tax breaks	533
CHAPTER 26: Children and Taxes	537
Bringing Up Baby	537
Getting Junior a Social Security number	537
Childcare tax goodies	538
Costs and benefits of a second income	540
Navigating Education Tax Breaks and Pitfalls	540
The (hidden) financial aid tax system	541
College cost tax deductions	541
Section 529 plans — state tuition plans	542
Education Savings Accounts	543
American Opportunity and Lifetime Learning Credits	545
Minimizing your taxes and paying for college	545
Being Aware of Taxes on Your Kids' Investments	548
Taxes for kids under 18 and dependent college students	548
Tax-wise and not-so-wise investments for educational funds	549
CHAPTER 27: Estate Planning	551
Figuring Whether You May Owe Estate Taxes	551
Understanding the federal estate tax exemption and rate	552
State estate and inheritance taxes	552
Determining your taxable federal estate	553
Reducing Expected Estate Taxes	554
Giving it away	555
Leaving all your assets to your spouse	557
Establishing a bypass trust	557

	Buying cash-value life insurance	558
	Setting up trusts.	560
	Getting advice and help	562
PART 6: THE PART OF TENS		565
CHAPTER 28: Ten Tips for Reducing Your Chances of Being Audited		567
	Double-Check Your Return for Accuracy	567
	Declare All Your Income	568
	Don't Itemize.	568
	Earn Less Money	569
	Don't Cheat and Put Down Your Protest Sign	569
	Stay Away from Back-Street Refund Mills	569
	Be Careful with Hobby Losses	570
	Don't Be a Nonfiler	570
	Don't Cut Corners if You're Self-Employed.	570
	Carry a Rabbit's Foot	571
CHAPTER 29: Ten Overlooked Opportunities to Trim Your Taxes		573
	Make Your Savings Work for You	573
	Invest in Wealth-Building Assets	574
	Fund "Tax-Reduction" Accounts.	574
	Make Use of a "Back-Door" Roth IRA.	575
	Work Overseas.	575
	Check Whether You Can Itemize	575
	Trade Consumer Debt for Mortgage Debt.	576
	Consider Charitable Contributions and Expenses	577
	Scour for Self-Employment Expenses.	577
	Read This Book, Use Tax Software, Hire a Tax Advisor	578
CHAPTER 30: Ten (Plus One) Tax Tips for Military Families		579
	Some Military Wages May Be Tax-Exempt.	579
	Rule Adjustments to Home Sales	580
	Tax Benefits for Your Family if You're Killed in Action	580
	Deadlines Extended During Combat and Qualifying Service	581
	Income Tax Payment Deferment Due to Military Service	581
	Travel Expense Deductions for National Guard and Reserves Members	582
	No Early Retirement Distribution Penalty for Called Reservists	582
	No Education Account Distribution Penalty for Military Academy Students	582
	Military Base Realignment and Closure Benefits Are Excludable from Income	583
	State Income Tax Flexibility for Spouses	583
	Deductibility of Some Expenses When Returning to Civilian Life.	583
CHAPTER 31: Ten Interview Questions for Tax Advisors		585
	What Tax Services Do You Offer?	586
	Do You Have Areas that You Focus On?	586
	What Other Services Do You Offer?	586
	Who Will Prepare My Return?	587
	How Aggressive or Conservative Are You Regarding the Tax Law?	587
	What's Your Experience with Audits?	587

How Does Your Fee Structure Work?	588
What Qualifies You to Be a Tax Advisor?	588
Do You Carry Liability Insurance?	588
Can You Provide References of Clients Similar to Me?	589
APPENDIX: GLOSSARY	591
INDEX	605

Introduction

Welcome to *Taxes 2022 For Dummies* — the latest up-to-date revision of our annual best-selling book (the first edition of which was published in 1994) by your humble co-authors — Eric Tyson, Margaret Atkins Munro, and David J. Silverman. These pages answer both your tax-preparation and tax-planning questions in plain English and with a touch of humor.

About This Book

Our book can help you make sense of the tax laws, especially the newest ones. We promise to help relieve your pain and misery (at least the tax-related portion), legally reduce your income tax bill, and get you through your tax return with little discomfort.

We also help you keep your mind on your taxes while you plan your finances for the upcoming year. As you probably know, Congress and political candidates engage in never-ending discussions about ways to tinker with the nation's tax laws. Where appropriate throughout the book, we highlight how any resulting changes may affect important decisions you'll need to make in the years ahead.

In addition to helping you understand how to deal with federal income taxes, we explain how to handle and reduce some of those pesky and not-so-insignificant taxes slapped on by states and other tax-collecting bodies.

We also show you how to steer clear of running afoul of tax laws. The fact that Congress keeps changing the tax rules makes it easy for honest and well-intentioned people to unknowingly break those laws. We explain how to clear the necessary hurdles to keep the taxing authorities from sending threatening notices and bills. But if you do get a nasty letter from the tax police, we explain how to deal with that frightful situation in a calm, levelheaded manner so that you get the IRS off your back.

Throughout this book, we provide line-by-line and step-by-step instructions on how to fill out various tax forms and give examples of what these forms look like. If ever you need to look up a form or print one out, simply go to www.irs.gov and type the form name in the search box.

Foolish Assumptions

At their worst, some annual tax-preparation books are as dreadful as the IRS instruction book-lets themselves — bulky, bureaucratic, and jargon-filled. In particular cases, preparation books simply reproduce dozens of pages of IRS instructions! At their best, these books tell you information you can't find in the IRS instructions — but the golden nuggets of tax information often are buried in massive piles of granite. *Taxes 2022 For Dummies* lays out those golden nuggets in nice, clean display cases so that you won't miss a single one. There's still plenty of granite, but we don't use it to bury you — or key insights!

Among the three of us, we have more than nine decades of experience providing personal financial and tax advice to real people just like you. We understand your tax and financial concerns and know how to help solve your quandaries!

Most people's tax concerns fall into three categories: filling out their forms properly, legally minimizing their taxes, and avoiding interest and penalties. *Taxes 2022 For Dummies* addresses these concerns and helps take some of the pain and agony out of dealing with taxes.

We've made some assumptions on how you may want to use this book. Here are the various practical ways that we figure you will use *Taxes 2022 For Dummies* to complete your forms, legally reduce your taxes, and avoid penalties:

- » **As a reference:** For example, maybe you know a fair amount about your taxes, but you don't know where and how to report the dividends you received from some of your investments. Simply use the table of contents or index to find the right spot in the book with the answers to your questions. On the other hand, if you lack investments — in part because you pay so much in taxes — this book also explains legal strategies for slashing your taxes and boosting your savings. Use this book before and after April 15.
- » **As a trusted advisor:** Maybe you're self-employed and you know that you need to be salting money away so that you can someday cut back on those long workdays. Turn to Chapter 22, and find out about the different types of retirement accounts, which one may be right for you, how it can slash your taxes, and even where to set it up.
- » **As a textbook:** If you have the time, desire, and discipline, by all means go for it and read the whole shebang. And please drop us a note and let us know of your achievement!

Icons Used in This Book

TIP

This target marks recommendations for making the most of your taxes and money (for example, paying off your nontax-deductible credit-card debt with your lottery winnings).

TAX CUT

The info by this friendly sign is useful if you want to discover ways to reduce your taxes — and all the suggestions are strictly legit.

REMEMBER

This icon is a friendly reminder of stuff we discuss elsewhere in the book or of points we really want you to remember.

WARNING

This alert denotes common, costly mistakes people make with their taxes.

TECHNICAL
STUFF

This nerdy guy appears beside discussions that aren't critical if you just want to know the basic concepts and get answers to your tax questions. However, reading these gems can deepen and enhance your tax knowledge. And you never know when you'll be invited to go to a town meeting and talk tax reform with a bunch of politicians!

NEW STUFF

Throughout this book, we highlight new tax provisions with this icon. Although searching for and reading passages marked with this icon quickly tells you what's new, don't overlook the many tax-reducing strategies and recommendations throughout the rest of the book.

SEEK
ADVICE

Some tax problems are too complex to be handled in any one book. If you're one of the unlucky ones who's in a tax situation that can spell big trouble if you get it wrong, consult a tax advisor to be on the safe side. We tell you how to select one in Chapter 2.

Beyond the Book

In addition to the material in the print or e-book you're reading right now, this product also comes with some access-anywhere info on the web. Go to www.dummies.com and type in "Taxes 2022 For Dummies Cheat Sheet" in the search box to discover some tax-wise pointers.

Where to Go from Here

There are numerous different ways that readers tell us that they use our book. If you're on a deadline to complete your Form 1040 U.S. income tax return, you can turn to those chapters in Parts 2 and 3. If you've got an audit or other notice from the IRS and want advice on that — see Part 4. If you'd like a good overview on the tax system and are trying to make wise year-round tax decisions, check out the other Parts, especially Part 5.
