of In . Ks . Lithuanian . These jedniż are at and Niepo
kojczyccy .

Weight **coat** **of** **arms**
. Okolski vol . 2. fol . 439. so the comb describes : th
e cross , the Just , be should double , on which the
moon is not full , horns on the
bottom both turned , with the lines, which are stacke
d and connected , the three trianguły to
express , between triangułami two at the
bottom are three notches : field shielding the
blue , es Okolski , atolls others so that
the arms shape , transverse one does
not double put on the moon described above , under
the weight on the shape of the
letter W so that the corner one of the letter W
and the other is a line stretched , that both of them
away ends, he joins , the end of
the cross also runs through this line and rests in the
middle of the letters in W, a red field , three ostrich
feathers on the helmet . This is the coat of
arms seals Pocijow and Niepokojczyccy in the
Duchy of
Lithuania , atolls you pośledniejsi between two anguł
ami at the bottom of the useful three notches , from
the top what time it is smaller . It was reassuring . in
MS. Wag żewielu homes in countries other
people [p 211] enjoy , the
witness is Petrasancta cap . 84. fol . 651.
And yes, this author says cap . 3. that Kappadojczyko

wie weight of the coat of arms of their own nation, his appropriated . The beginning of this coat of arms , nothing safer zeod princes Russians come and that the heroic some work with jakiejby but opportunity , more to guess some of Okolskim , as for the was apparently the truth .

Later authors , such as belonging to the coat of arms, who give

Abramowicz , - Korzeniowski , - Wagów .

Kreutz , **Kreutzen coat of arms** or Triumpf 3tio. About the items in Volume V, received but pedigree exactly the families of the wierzytelnych evidence- based , and of Herold ces . Rossyjską confirmed , ever, here we show , as follows :

From the most distant times , when the Slavic tribe widely inhabited both banks of the Elba Island , the city of Bełżyk , today Beltzig in Mysznia and its surroundings was the property of the once wealthy family of lords in Bełżyk . The coat of arms of this field was a black bar in a white field , as written in Niesiecki and was shared by the Zeschau family , formerly the lords of Cieszów ; - after the passage of the country under the rule of the Germans , the nobility , the is also the chief among the Slavs , between several prosecution by

the new conquerors dopełnianymi , subject also turned off by the exercise of public duties , and even the participation in cross-trains . - Henry was Bełżyku trying to erase the mark humiliation , trying to earn Emperor Frederick I. how is this the castle Creutz gave him with the law of the free master , and Henry was Bełżyku under the new name , as noble German , could already be up to the last on country ś. Expedition , of which returned , he allowed himself for fixed their descendants , and went to the old coat of arms Cross Black Burgundy in gold field , the mark of a new property . - happened to him in the end of XII. Century .

From rozrodzonych his descendants created various sectors and in different ages and countries participated in various spelling : Creutz, Kreutz and Kreytzen were najzwyczajniejszymi , but called some even Crux and Poland Cruyczyn , Kracznyn , Krauczen , Crucini , torticollis and najpospoliciej Krejča and Krajča . - Two kinds are the source of all the past , that they explain , demonstrate , and finally the state of undeniable truths serve posterity . Certificates printed on the different [. S. 243] books scattered and records official , if the one who was so happy , that could they keep - to support everything , what follows on the house will say , the

link is now live Kreützerowie to many in possession of them evidence *).

*) The evidence is as follows : A) Printed Proof :
1. Curriculum vitae Melchioris a Kreutzen of Andrzej Ortelius pastors in Frohburg 1618 - the second tree of uhralten wohladelichen Gender ago by Kreytzen - in Królewiec 1636
