## About the author

Roland Dörre studied law at the universities of Freiburg, Tübingen and Hamburg. He received his lawyer's licence in Hamburg in 1992. From 1992 to 2017, he worked with different international insurance brokers on marine liability claims and on the risk analysis of logistics contracts. Since 2017, he works as a Senior Risk Consultant at Anchor Risk Services GmbH, a consulting company within the Kuehne + Nagel Group. Since 2005, he is an instructor at the Hagen Law School in the field of specialist solicitor trainings. He is

responsible for the training scripts for marine liability insurance law, and air freight law.
