[Title Page](#)

[Copyright Page](#)

[List of Contributors](#)

[Foreword](#)

[Acknowledgments](#)

[About the Companion Website](#)

[Part I: Foundations in Behavioral Health](#)

[Introduction](#)

[1 Introduction to Dog Behavior](#)

[1.1 Evolutionary History of the Species](#)

[1.2 Dogs and Humans](#)

[1.3 Dog Behavioral Development](#)

[1.4 Dog Communication](#)

[1.5 Complex Behaviors](#)

[1.6 Influences on Dog Behavior](#)

[1.7 Conclusions](#)

[Acknowledgments](#)

[References](#)

[2 Introduction to Cat Behavior](#)

[2.1 Introduction](#)

[2.2 Domestication](#)

[2.3 Sensory Perception](#)

[2.4 Communication](#)

[2.5 Behavioral Development](#)

[2.6 Maintenance Behaviors](#)

[2.7 Sociality](#)

[2.8 Learning and Cognition](#)

[2.9 Conclusions](#)

[References](#)

[3 How Animals Learn](#)

[3.1 Introduction: What Is Learning?](#)

[3.2 Non-associative Learning](#)

[3.3 Associative Learning](#)

[3.4 Effectiveness of Consequences](#)

[3.5 Conclusions](#)

[References](#)

[4 The Relationship between Physiology and Behavior in Dogs and Cats](#)

[4.1 Introduction](#)

[4.2 General Concepts of the Relationship between Medical and Behavioral Issues](#)

[4.3 Recognizing the Behavior of the Sick Animal](#)

[4.4 The Role of Stress](#)

[4.5 The Behavior of Pain](#)

[4.6 Common Medical Conditions Resulting in Behavioral Signs](#)

[4.7 Medical Conditions That Have Breed Tendencies and Their Associated Behavior Changes](#)

[4.8 Behavior and/or Medical Conditions Seen in Intact versus Neutered Dogs](#)

[4.9 Behavior and/or Medical Conditions Seen in Intact versus Neutered Cats](#)

[4.10 Side Effects of Common Medications](#)

[4.11 Conclusions](#)

[References](#)

[Part II: Pets in the Community](#)

[5 Safety Net Programs](#)

[5.1 Introduction](#)

[5.2 Benefits of Safety Net Programs](#)

[5.3 Program Types](#)

[5.4 How to Choose the Right Programs](#)

[5.5 Conclusions](#)

[References](#)

[6 Dog Behavior and Relinquishment to Shelters](#)

[6.1 Introduction](#)

[6.2 A Brief History of Relinquishment Data](#)

[6.3 Lessons Learned from Risk Factor Studies](#)

[6.4 The Importance of Definitions](#)

[6.5 The Challenge of Determining How and When Behaviors May Threaten Human-Canine Bonds](#)

[6.6 Preventing Behavior-Related Relinquishment and Facilitating Adoptions: Compatible or Competing Priorities?](#)

[6.7 How Have Relinquishment Prevention Measures Worked?](#)

[6.8 Behavioral Interventions That May Promote Adoptions and Prevent Returns](#)

[6.9 Conclusions](#)

[References](#)

[7 Management of Community Cats](#)

[7.1 Introduction](#)

[7.2 Effective TNR](#)

[7.3 Return to Field](#)

[7.4 Continuing Controversies around TNR](#)

[7.5 Communication](#)

[7.6 Cat Impact in the Community](#)

[7.7 Cat Behavior in the Community](#)

[7.8 Keeping Community Cats Out of the Shelter](#)

[7.9 Community Cats in the Shelter](#)

[7.10 Conclusions](#)

[References](#)

[Part III: Dogs in the Shelter](#)

[8 Handling Shelter Dogs](#)

[8.1 Introduction](#)

[8.2 What Is Stress?](#)

[8.3 Stress in Shelter Dogs](#)

[8.4 Body Language](#)

[8.5 Responding to the Dog's Emotional State](#)

[8.6 Low-Stress Handling](#)

[8.7 Defensive Handling](#)

[8.8 Handling Dogs during the Process of Euthanasia](#)

[8.9 Conclusions](#)

[References](#)

[9 Assessing the Behavior of Shelter Dogs](#)

[9.1 Introduction](#)

[9.2 Sources of Behavior Information](#)

[9.3 Behavior Information and Pathway Planning](#)

[9.4 Conclusions](#)

[Acknowledgments](#)

[References](#)

[10 Canine Housing and Husbandry for Behavioral Well-Being](#)

[10.1 Introduction](#)

[10.2 Admission to the Animal Shelter](#)

[10.3 General Housing Considerations](#)

[10.4 Behavior and Sensory Factors to Consider for Dog Housing](#)

[10.5 Types of Primary Enclosures](#)

[10.6 Co-housing in Pairs or Small Groups](#)

[10.7 Areas for Enrichment, Exercise, and Training](#)

[10.8 Initial Housing Considerations](#)

[10.9 Housing during Disasters](#)

[10.10 Conclusions](#)

[References](#)

[11 Canine Enrichment](#)

[11.1 Introduction](#)

[11.2 Enrichment Interventions in the Animal Shelter](#)

[11.3 Assessing Enrichment](#)

[11.4 Implementing and Maintaining an Enrichment Program](#)

[11.5 Conclusions](#)

[References](#)

[Appendix 11.A Data Sheet](#)

[12 Training and Behavior Modification for Shelter Dogs](#)

[12.1 Introduction](#)

[12.2 Structured Training Programs](#)

[12.3 Behavior Modification Programs within the General Shelter Environment](#)

[12.4 Success of Behavior Modification in Shelters](#)

[12.5 Dedicated Behavior Rehabilitation Facilities](#)

[12.6 Conclusions](#)

[References](#)

[13 Play and Playgroups](#)

[13.1 Introduction](#)

[13.2 The Science of Play](#)

[13.3 Tools and Terminology](#)

[13.4 Shelter Playgroup Models](#)

[13.5 Canine Playgroups in Shelter Settings](#)

[13.6 Evaluating Quality of Life and Adoptability](#)

[13.7 Conclusions](#)

[References](#)

[Part IV: Cats in the Shelter](#)

[14 Handling Shelter Cats](#)

[14.1 Introduction to Safe and Humane Handling](#)

[14.2 Triggers for Stress, Fear, and Other Negative Emotional States in the Shelter](#)

[14.3 Keys to Successful Handling](#)

[14.4 General Guidelines for Safe and Humane Handling](#)

[14.5 Tips, Techniques, and Tools for Stress Reduction and Humane Handling](#)

[14.6 Recommendations for Handling Cats during the Process of Euthanasia](#)

[14.7 Conclusions](#)

[References](#)

[15 Feline Behavioral Assessment](#)

[15.1 Introduction](#)

[15.2 Frameworks for Assessing Behavior](#)

[15.3 Goals of Behavior Assessments](#)

[15.4 How to Structure A Behavior Assessment Program in Your Shelter](#)

[15.5 Conclusions](#)

[References](#)

[Appendix 15.A Stray Cat Intake Profile](#)

[16 Feline Housing for Behavioral Well-Being](#)

[16.1 Introduction: Challenges of Feline Housing in Animal Shelters](#)

[16.2 The Connection between Feline Housing and Well-Being](#)

[16.3 Macro- and Microenvironmental Considerations for Feline Housing](#)

[16.4 Group-Housing](#)

[16.5 Conclusions](#)

[Acknowledgments](#)

[References](#)

[17 Feline Enrichment](#)

[17.1 Introduction](#)

[17.2 The Value of Environmental Enrichment](#)

[17.3 Categories of Enrichment](#)

[17.4 Prioritizing Enrichment among Different Types of Cats](#)

[17.5 Removing Obstacles to Enrichment](#)

[17.6 Assessing Efficacy of Enrichment](#)

[17.7 Conclusions](#)

[Acknowledgments](#)
