

***LEIGH
HUNT***

A photograph of a person in a hat driving a horse-drawn carriage through a misty, sunlit forest. The scene is captured in a warm, golden light, likely during sunrise or sunset, creating a hazy and atmospheric effect. The carriage is a traditional wooden coach with large spoked wheels, and the driver is seen from behind, holding the reins. The background is filled with the silhouettes of trees and a soft glow of light filtering through the foliage.
