maybe we all deserve someone
who thinks they don't deserve us

can you
freeze the time for me
to live this moment endlessly
can you write
a book for me
to make our story infinitely

can you
cry and laugh with me
run and walk
dance and talk
and hold my hand to be with me

we can
cause I believe
our love
is like
infinity

rain and storm outside my bed
like inside my head

04 | 06
january

I will love you
like the night
loves the moon
and the day
the sun

I need you
like a flower
the rain
and a human
the air

I will protect you
like the snow
protects our world
and a poet
his words

I love you
like a candle
its fire
and a painter
his color.

I told my therapist about you,
oh ...
wait
nope I didn't
cause you ain't gonna be dangerous for my
mental health

I am afraid
you drive me to
the loss of hope
or the need
to go

I am afraid
the tears I cry
are about you
or the things
you do

I am afraid
I'll lose the good
while believing
in together

I am afraid
I'll never get
forever.

low

glow

show

doesn't matter

where I go

10 | 11

living may be about making memories
but I don't only want to make them
I want to live them

12 january

there is so much
and so little in my mind
too much
and nothing to do

living foggy and chaotic minutes
while seconds feel like days
and hours run away

heartbreaks

made my heart
crack
more often
than I wanted it

art flowed out
like water from a mountain

so
maybe
it was
meant to be
like that.

the bad things reach me
the good things don't

at the same time I'm now able
to see the beauty of my city
I call home

13 | 14
january

I am just
a girl
with a poetic mind
tattooed on her skin

a woman
with chaotic thoughts
taped onto paper

anxious fear
an artful heart
and a life
that fell apart.

I am just
a girl
trying to try
crying words
and speaking pain
fighting hard
to live again.

17 | 18
january

I wonder
if you wonder
I think
if you think

I'll water
a flower
I'll give you
my hand

I ask
if you are asking
I question
if you are questioning

I'll lighten
a candle
I'll take you
by your hand.

some people still don't realize they
have choices.
they can stay or they can go
be honest or lie
stop blaming your past
make decisions to grow

unexplainable pain
running through my vein
searching for a way
of how to stay

lost sadness
walking through my mind
trying to find
a way to make me blind

18 | 20 january

maybe a dream
is just this,
a dream.

a thought in your mind
a story to find
words which shine

some imagined hope
a city out of gold
and a reason to let go.
