

MYRON EELLS

D. The wires of
v of trees vanish
point D in this line.
these principles.

vanish to a point
line. The under
e same line to the
bathing figures is
the child in front

all lines of the
(or eye). Notice
shadows which in-
low, on the right,

e law of *reflection*
e is equal to the
er words, there is
e object appearing
s as here depicted
st and punt. Ex-

ooking
ht at
re in

times drawn none
object, or objects.

VI. The position
in a sunset) behind
of the uncompleted
ground lines are ob
a point exactly ver
horizontal line.

VII. In this case
tator. Being the
sun's *rays* vanish in
marked on a ver
direction point or
the horizon: becaus
right) and *downward*
from the object to
object as in last c

VIII. Example
the ground lines
exactly below the s
itself—not the hor
the foot of the lamp
radiating lines on t
ing rays down fr
them
