The background is a vibrant jungle scene. At the top, there are large green leaves. A black bird is flying on the left, and a green pterosaur is on the right. In the center, a green T-Rex is on the left, a grey long-necked dinosaur is in the middle, and a blue dinosaur is on the right. Several Mr. Men characters are scattered throughout: a red one near the top left, a purple one with a green bow, an orange one with a green hat and glasses, a yellow one with a blue bow, a blue one with a red hat, and a pink one at the bottom left. The text 'MR. MEN' is written in large, bold, black letters, with a small red Mr. Men character peeking from behind the letter 'M'.
