YOU who have reached that stage in your climb to the heights where you are no longer seeking anything of self, having tasted of all that the outer world and its human teachers can offer, and something within is strongly insisting that you begin to prove and demonstrate what you have learned by living it and using it to help others who are still seeking;

You, who have felt within the heart a definite call to service and yearn to follow and obey, but who from obeying many urges in the past, only to be disappointed and disillusioned each time by failure of the leaders to be worthy of the Causes they represent, and you are therefore uncertain about this call, and are fearful of not knowing just what you ought to and can do;

You who have not yet had this experience, but who are moved by a strong loving desire to help lift the load from those less fortunately situated, and who would know what is that insistent something within, and whose the voice that thus calls;

Know, one and all, what you feel is My Love quickening into conscious active life in your heart, and what you hear is My Voice calling you to make ready for the Work I have been preparing you for — a Work that is your Work, long waiting for you to do, — when you have proven that self is no longer in control, and that you are willing to let Me lead the remainder of the way.

But when the servant acknowledges not his Master, having grown proud, and deems himself above his station and tries to impress others with his knowledge and importance, then you may know why it is so hard to hear My voice and to know when it is I speaking, and why you become so often confused and so uncertain what to do. Therefore it is most necessary that you determine whence comes the voice or voices that so confuse and disturb you.

But, you say, suppose you have not yet reached the stage where you are able actually to hear a voice speaking within and to know it as one assuming to teach or lead you.

Know that it is not an actual voice such as your physical ears hear that speaks; for are not every desire, every urge, every hope, longing, fear, discouragement, anxiety, regret, voices heard just as surely and effectively as audible voices?

And while all such are voices I use to teach you the right from the wrong way, yet My Voice, that you long so to hear and to be always sure is Mine, you will never truly hear and know until you let Love abide and rule in your heart. For Love alone can clear away that in your heart and consciousness which causes you to listen to the voice of self, thus preventing your hearing Me when I speak.

But know, My Child, there are sure ways of knowing when the voice of self speaks, and when I speak — to him who sincerely wills to know, and who is ready to face self, and
