About the Book

Whistler is one hot penguin!

All over town, it's boiling hot. At the zoo, the animals are dying for some ice-cream. The warthogs are wilting, the parrots are parched and the snakes are sweating. And sitting beside a dried-up pool is a very hot penguin called Whistler!

When a small boy with large pockets visits the zoo, Whistler spots his chance to escape to a colder climate.

A fishy tale from a very funny author.

Young Corgi books are perfect for building reading confidence.
