SpringerBriefs in Business

SpringerBriefs present concise summaries of cutting-edge research and practical applications across a wide spectrum of fields. Featuring compact volumes of 50 to 125 pages, the series covers a range of content from professional to academic. Typical topics might include:

- A timely report of state-of-the art analytical techniques
- A bridge between new research results, as published in journal articles, and a contextual literature review
- A snapshot of a hot or emerging topic
- An in-depth case study or clinical example
- A presentation of core concepts that students must understand in order to make independent contributions

SpringerBriefs in Business showcase emerging theory, empirical research, and practical application in management, finance, entrepreneurship, marketing, operations research, and related fields, from a global author community.

Briefs are characterized by fast, global electronic dissemination, standard publishing contracts, standardized manuscript preparation and formatting guidelines, and expedited production schedules.

A mia figlia Mariafrancesca,

Queste pagine racchiudono il soffio di un momento magico, quello splendido istante in cui sei giunta nella mia vita, illuminandola con una luce pura e straordinaria. Questo libro è nato insieme a te, nel silenzio pieno di promesse dei tuoi primi giorni.

A te, mia cara Mariafrancesca, desidero donare l'infinita libertà di esplorare ogni orizzonte, di imparare da ogni caduta e di trarre forza da ogni risalita. Che tu possa sempre ricordare che in questo vasto universo di possibilità, non esiste sogno troppo audace da inseguire o avventura troppo grande da vivere, quando sei guidata dalla libertà.

Sii sempre libera, dolce bambina, di ascoltare il tuo cuore e di seguirlo ovunque ti conduca, di scegliere il tuo cammino e di forgiare il tuo destino con le tue mani.

Nella libertà, troverai la vera essenza di te stessa e la chiave per realizzare ogni desiderio del tuo cuore.

La tua mamma
