

Geoffrey Peyton

Singing in the Valleys; and then into a town that died

Humor

A scenic landscape photograph of a valley. In the foreground, there is a dense thicket of bare, brown branches, likely from a tree that has been cut down or is dormant. The middle ground shows a lush green valley with rolling hills, a small town with several buildings, and a large mountain in the background. The sky is filled with soft, white clouds. The overall scene is peaceful and idyllic.
