## PREFACE

The selection of healing verses was assembled and chronologically ordered in line with the Authorised King James version of the Bible.

This book contains a collection of exact Bible verses relating directly or indirectly to the subject of healing that have been documented as healing events, information or doctrine in the Authorised King James version of the Bible. Each group of verses are referred to as sections.

The prayers at the end of each section are simply prayer suggestions which you can speak, recite or repeat. These prayers are constructed based on the author's understanding of the Bible healing section in question.

Majority of the prayer suggestion are written from a first person position personalised to the readers; however, it can be used in plurality for both readers and others or just for others.

According to the content of the Bible, all prayer must be said in the name of Jesus. Remember to give thanks after each prayer especially if thanks are not included in prayer suggestion.

Every reader who decides to use the prayer suggestions will be fully responsible for such decision.

These Bible Healing scriptures were compiled by  
Dr Timothy O. with License from Cambridge Publishing  
to produce the Authorised Kings James Bible extracts.

The extracts were recorded in sections where  
healing was directly or indirectly recorded.

The sections attempted to encapsulate  
enough context to convey relevant message.

This is the large print edition;  
it is clear and easily readable.

This book was put together with practicality in mind hence the  
prayer suggestions after each section,  
with additional scripture extracts which cover  
healing confessions, healing and faith verses, rebuking the  
devil and patience verses.
