

USBORNE FIRST READING

# Butterflies

Kate Davies  
Illustrated by Jana Costa

There are thousands of different butterflies living all over the world. Find out how they smell, see, feed and fly. Then discover the most amazing thing of all... how a caterpillar becomes a butterfly.

This book is part of the Usborne First Reading series.  
It has been written especially for children who are learning to read, in consultation with Alison Kelly, Principal Lecturer in Education and reading specialist at the University of Roehampton, England.

# Butterflie

There are butterflies almost  
everywhere in the world.

Butterflies can  
be as tiny as this.
