About the Author

J. F. DiMarzio is a game developer and web professional. He has more than twenty years of experience in technology and design. Having authored eleven books, he is a leading resource in Android and Android game development.

Currently, Mr. DiMarzio is a developer for the Walt Disney Company. He resides in Central Florida with his wife, Suzannah, and three children. Suzannah's blog is at zannaland.com.

About the Technical Reviewer

Tony Hillerson is a mobile developer and cofounder at Tack Mobile. He graduated from Ambassador University with a bachelor's degree in Management Information Systems. On any given day, he may be working with Objective-C, Java, Ruby, CoffeeScript, JavaScript, HTML, or shell scripts. Tony has spoken at RailsConf, AnDevCon, and 360|Flex. He is the creator of the popular O'Reilly Android screencasts.

In his free time, Tony enjoys playing the bass and Warr Guitar, and making electronic music. Tony lives outside Denver, Colorado, with his wife, Lori, and sons, Titus and Lincoln.
