Practical approach to catheter ablation of atrial fibrillation.

Practical guide to catheter ablation of atrial fibrillation / edited by Jonathan S. Steinberg, Pierre Jais, Hugh Calkins. – Second edition.

p. ; cm.

Preceded by A practical approach to catheter ablation of atrial fibrillation / editors, Hugh Calkins, Pierre Jais, Jonathan S. Steinberg. c2008.

Includes bibliographical references and index.

ISBN 978-1-118-65850-5 (cloth)
