Dedication

I would like to dedicate this book to Gary, Kylie, and Lucky, who constantly remind me of what’s really important in life.

Author’s Acknowledgments

I would like to thank my excellent project editor, Nicole Sholly, who kept me and this book on track; Bob Woerner, the world’s best Executive Editor; Andy Cummings, who gives Dummies a good name; David Busch, for his great contribution to the first edition; Dennis Cohen, for his technical editing; and all the hard-working, dedicated

production folks at Wiley. A special thanks to Ted Padova, colleague, fellow author, and friend, who always reminds me there is eventually an end to all those chapters.
