# About the Author

**Maire Loughran** is a certified public accountant and a member of the American Institute of Certified Public Accountants. Her professional experience includes four years of internal auditing for a publicly traded company in the aerospace industry, two years as an auditor in the not-for-profit sector, and even some experience as a U.S. federal agent. Her public accounting experience includes financial reporting and analysis, audits of private corporations, accounting for e-commerce, and forensic accounting.

Maire is a full adjunct professor who teaches graduate and undergraduate auditing and accounting classes. Interested in many different business-related fields, she is the author of *Auditing For Dummies*; *Financial Accounting For Dummies* (Wiley); *Close, Consolidate & Report For Dummies*, an IBM Limited Edition; a guide to starting a home-based business; as well as the *Arts and Crafts Business Guide* for About.com.

# Dedication

To my much-loved son Joey, who serves his country aboard the USS Harry S. Truman: I am prouder of you than mere words can ever describe. And to my late husband Jeff, so long gone from our lives, but never absent from our hearts.

# Author's Acknowledgments

To the Ursuline nuns and Jesuit priests who provided me with a stellar education, and to my parents, who selflessly footed the bill.

To my agent, Barb Doyen, for all her hard work and support.

And to Tracy Brown, Krista Hansing, Ron De Witt, and Robert Garrett for their months of editing, follow-through, and advice.
