GLOBAL PROTECTION FORCE FILE ON JACK STALWART

Jack Stalwart applied to be a secret agent for the Global Protection Force four months ago.

My name is Jack Stalwart. My older brother, Max, was a secret agent for you, until he disappeared on one of your missions. Now I want to be a secret agent too. If you choose me, I will be an excellent secret agent and get rid of evil villains, just like my brother did.

Sincerely,

Jack Stalwart

**GLOBAL PROTECTION FORCE INTERNAL MEMO:
HIGHLY CONFIDENTIAL**

Jack Stalwart was sworn in as a Global Protection Force secret agent four months ago. Since that time, he has completed all of his missions successfully and has stopped no less than twelve evil villains. Because of this he has been assigned the code name 'COURAGE'.

Jack has yet to uncover the whereabouts of his brother, Max, who is still working for this organization at a secret location. Do not give Secret Agent Jack Stalwart this information. He is never to know about his brother.
