Introduction

Cruising from a crew point of view! Cruising hints, tips, and stories about all aspects of cruising, and crew life, from a veteran crew member. Something every cruiser, and every future crew member, is sure to love!

I have worked on-board cruise ships for over 15 years on Princess Cruises, Oceania Cruises, RSSC, P&O Australia, and more. I have held positions as an officer in Passenger Logistics, Crew Administration, Guest Services and Guest Relations, IT and Technology, and Human Resources and Training.

This eBook is #1 of the Crew Office series. A “best of” collection of articles from the *Crew Office: Crews ship blog*. A selection of blogs that were favorites for the Crew Office readers and are ***no longer available online***

Sit back, relax, and read *Crew Office - the first cruise*, to learn things about cruise ships and cruising you never knew!

Enjoy!
