Praise for *The Change Champion's Field Guide, Second Edition*

“Written by founders in the field, this new edition is easily one of the best and most practical resources for implementing individual, team, and organizational change. Both internal and external change agents should adopt the sage advice in this book and champion change!”

—**Brian Fishel**, senior vice president, Enterprise Leadership Development, Bank of America

“These renowned authors provide superb collections of experiences, insight, and tools to help you successfully navigate and lead change. Very timely reference manual for us all!”

—**Dan Hawkins**, corporate vice president, Talent & Organization Development, Ingersoll Rand

“*The Change Champion's Field Guide* is like having a practical change expert in your pocket, coaching you on how to lead change well.”

—**Dottie Brienza**, chief diversity officer, Merck/MSD Inc., and professor of business ethics, Rutgers University

“*The Change Champion's Field Guide* is filled with real-world tools and advice to enable us to get through a crisis, transform a team, and to reach our highest vision.”

—**Kevin Kruse**, author of *Employee Engagement 2.0*

“*The Change Champion's Field Guide* is a must-have resource, full of sage wisdom, luminary vision, and

practical insights and captured by our most respected leaders in the field.”

—**Richard A. O’Leary**, corporate vice president, Human Resources, Iris International

“The new edition will remain the ‘go to’ reference and resource for those of us learning about, leading, or just stuck in the muck of organizational change. Whatever your role, you will find valuable tools, observations, and case studies to help your change management efforts. You will also find honesty, solace, and support from its authors.”

—**Patrick Carmichael**, co-editor of *Learning How to Learn*

“The authors leverage their formidable years of expertise to make sense of how organizations and people can manage change. Whether you are leading or following, you need this book to drive change.”

—**D. Zachary Misko**, co-author of *New Rules of Recruiting*

“A practical ‘how to’ for serious change leaders, written by seasoned professionals who have clearly been in the trenches, not just the classroom.”

—**Deborah Lipman Slobodnik**, founder and principal, Options for Change

“This book provides all the trends, tools, and key strategies for leading successful and results-driven change.”

—**Tanya Clemons**, chief talent officer, Worldwide Research and Development, Pfizer Inc.
